

Bishop Weekly Update – 9/21/2020

**Hello Bishop Families ~**

**I'm happy to report that both of our programs, All Remote and Hybrid, had a successful first day! Although there were some minor meeting issues, overall, everything went well.**

**I was able to sit in on an after-school meeting with some of the Full Remote teachers; they are very creative and excited to get this learning model off the ground!**

**Our Hybrid students had a very successful day from the moment they arrived on campus. Thank you, grown-ups, for following the arrival directions; we were lined up at 8:00am and through the doors by 8:15am! I look forward to seeing cohort A again tomorrow and am excited to greet cohort B, Thursday!**

**Finally, I have attached the revised Bishop Parent Checklist for your reference.**

**Have a great evening,  
Mark**
